**3. SPECIAL COMMITTEE PURPOSE AND DESCRIPTION**

The purpose of this Committee is to advise and support the Peeples Valley Fire Department Corporation and Auxiliary with the next steps involved in pursuing the current land transfer proposal and its future development. This committee will provide regular updates and action recommendations at scheduled Auxiliary meetings.

**4. NEW BUSINESS**

**A. Land Proposal Update:**

- a. At the time of the meeting, we were awaiting the parcel split to be completed. Once completed and sent to the County for recording, the land transfer process can proceed to the contract phase. Our hope is for this process to move forward in the coming weeks.
- b. We continue to pursue funding sources and grant opportunities to assist with water, water treatment, fire suppression, drainage considerations, etc. However, nothing can move forward until the land is officially transferred.
- c. An idea was raised about rerouting the current road through the property. This matter was tabled for consideration and future discussion.

**B. Recommendations for Next Steps:** Continue to pursue the land transfer process, preparing for the work involved in the remaining items related to the installation of the cattle guards and fencing as required by the Donor.
